Non-filing of corporate governance report by listed companies

482. SHRI B.S. GNANADESIKAN: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that as many as 2634 listed companies have not filed their corporate governance report for the last year to India's stock exchanges;

(b) if so, whether Government has taken any action on these listed companies to prevent any incident of corporate scandal like Satyam Computer;

(c) if so, the details of action taken by Government in this regard; and

(d) the names of the companies which have failed to submit the mandatory governance reports to the exchanges for the last year?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a) As per the last report submitted by Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) for the quarter ending September 30, 2008, 1122 companies on BSE and 86 companies on NSE have not submitted their reports.

(b) and (c) The revised corporate governance norms contained in clause 49 of the listing agreement were made applicable to the listed companies with effect from January 01, 2006. Subsequently, SEBI advised the Stock Exchanges to encourage/exhort the companies to ensure compliance with clause 49. In respect of the companies which have not submitted corporate governance report, exchanges write letters, followed by show cause notice leading to suspension of trading.

Further, to have a demonstrative effect, SEBI had initiated adjudication proceedings against a total of 20 companies for failure to comply with corporate governance norms in terms of clause 49 of the Listing Agreement. Amongst these 20 companies, Adjudication Orders have been passed in the case of 5 companies. In the case of the remaining 15 companies, the proceedings are in progress.

(d) 1208 companies (86 on NSE and 1122 on BSE) have not submitted their reports. A detailed list is given in the statement-I and II.
